

**TODAY'S OFFERING is for our K-12 Scholarship Fund.**

K-12 Scholarship is a Southeastern California Conference offering used to subsidize scholarships for worthy students in Transitional Kindergarten through 12th grade in local conference elementary schools and academies.

The K-12 offering is used by the Office of Education to assist schools in providing assistance to the increasing number of families needing financial aid. This is done primarily through the Low Income Scholarship, which will pay up to 10% of the cost of tuition. That 10% is matched by the local school, allowing the recipient to receive 20% of his tuition.

Thank you for your prayers and help in the training of our young people. Your offerings are expressions of love that will enable more students to experience a grace oriented, academically excellent and distinctly Seventh-day Adventist Christian education. Thank you!
