

Today's Offering is for is for Our Own Church Budget.

It is said that when Henry Crowell was a young boy he contracted tuberculosis and was unable to go to school; so he spent seven years working hard outdoors as a way to recover his health. He then bought a small business called the Quaker Mill in Ohio in the United States.

Sometime before Crowell bought the Quaker Mill, he heard a sermon by Dwight Moody that moved him deeply. He committed his life to Christ and prayed: "I can't be a preacher, but I can be a good businessman. God, if you will let me make money, I will use it in your service."

And so from the very beginning of his business venture, Crowell dedicated 10 percent of his profit to God's work. The Lord blessed this man's enterprise, and Crowell's giving also multiplied. For more than 40 years this Quaker Oats founder gave 60 to 70 percent of his income to Christian causes.

Referring to the promise in Malachi 3:10, Ellen White in Counsels on Stewardship, p. 77, says, "The Lord made a special covenant with men, that if they would regularly set apart the portion designated for the advancement of Christ's kingdom, the Lord would bless them abundantly so that there would be no room to receive His gifts."

Note: *To take a deduction for the gift on your 2017 tax return, your gift must be received by the church by Dec. 31, 2017.*
