

## Today's Offering is for is for Impact Pacific.

Today's offerings will be used to respond to opportunities for mission unique to the Pacific Union, and they are designated for use in these three areas: Native Peoples—Projects that directly benefit ministries working with Native Americans and Native Hawaiians. Mission in Context—Projects that are anchored in responding to specific local needs, particularly Refugee and Immigrant Ministries. Providential Opportunities—Projects that are initiated because of an extraordinary opportunity for impacting the communities we serve that go beyond or outside of the scope of existing ministries.

May our thankfulness for God's abundant blessings during the year that is ending be seen in our support of the ministry of God's church.
