

Today's offering is to be used to fund all the gospel broadcasting work in the world.

Adventist World Radio (AWR) is the official mission radio arm of the Seventh-day Adventist Church.

An AWR listener in Asia wrote, "I listen to your broadcast very patiently and carefully, I was stone hearted, but after listening to your word, there has been a change in my life. Please pray for me."

Another AWR listener in Asia wrote, "I am tired of heavy burdens, life seems very hard, and my temper is always bad. However, since the day I found your program, I have felt better. Now I believe the Lord exists and is directing my ways."

God is using AWR's broadcasts – on shortwave, AM/FM, podcasts, social media, and more – to carry the gospel to people who are difficult to reach because of political restrictions on religion, cultural barriers to Christianity, and geographic barriers around the world. We invite you today to partner with AWR in this vital ministry.
