

Today's offering is for Local Church Budget of Loma Linda Chinese Church.

The church is a household, and we are members of its family. Each of us, great or small, plays an important role in the overall health of the church household. We are called to diligent and faithful service.

The Hebrew economy, in its ideal form, was an awesome model for the rest of the world of its day. Notice: "During the days of Moses, the government of Israel was characterized by the most thorough organization, wonderful alike for its completeness and its simplicity. The order so strikingly displayed in the perfection and arrangement of all God's created works was manifest in the Hebrew economy. God was the center of authority and government, the sovereign of Israel" (*Review and Herald*, October 12, 1905).

Thank you for your faithful support of the ministry of our church.
