

A warm welcome to all who came to our Church Worship this morning.

Today's offering is for Local Church Budget.

“Local church budget” may be a rather vague term to some, so let’s flesh it out a bit. It is far more than just paying for light and heat and air conditioning. It has to do with all of those important components that enter into the ministry of our local church. Children’s ministries, youth ministries, and many other ministries all benefit from what we are giving today. So let us contribute generously today to God’s work in this our area of His vineyard.
