

**A warm welcome to all who came to our Church Worship this morning.**

**Today's offering is for:**

**Local Church Budget**

The Bible describes the role of human beings as that of a "steward." A steward is a manager, or caretaker, of someone else's possessions. God has given us the authority to be stewards of His own creation. Psalm 8:6 profoundly states, "You made him [man] ruler over the works of your [the Lord's] hands; you put everything under his feet." As we return God's tithes and give our freewill offerings to the Lord, let's remember that the Master will require each of His stewards to give an account of his stewardship of the gifts of God.
